

Scott Wiginton – HOA BIO

Hello. I am excited to announce my candidacy for reelection as a member of the HOA Board. Having served in various capacities within our community, I am deeply committed to upholding the values and guidelines that make Glenlakes a beautiful, consistent, and desirable neighborhood for all residents.

Throughout my tenure, I have had the privilege of holding key positions within the board, including President of the Architectural Review Committee (ARC) and Vice President of the HOA. These roles have given me invaluable insights into the importance of adhering to HOA guidelines to preserve the aesthetics, consistency, and market value of our neighborhood.

In addition to my board responsibilities, I have actively contributed to the Covenant Committee, helping to develop comprehensive neighborhood guidelines and ensuring their clear understanding among residents. With a background in construction, FEMA disaster contracts, and building management, I bring a unique skill set to the board, particularly in financial budgeting and management.

As a resident since 2018 and a dedicated family person with a wife, daughter, and two furry family members, I am personally invested in ensuring that Glenlakes remains a welcoming and neighborly community for all. I believe in open communication and transparency, and I am committed to being accessible to all members for any concerns or questions they may have.

I am deeply passionate about building upon the foundation laid by the current HOA Board and continuing the great work that has been done thus far. With your support, I am confident that we can uphold the values of our community and ensure a bright future for Glenlakes.

Thank you for considering me for reelection as a member of the HOA Board.
